- If there is any time restraint, teachers can assign all extra materials, workbook exercises, Revise&Check and writing practice parts as homework by considering their own students’ needs, interests and requests.
- This year, we will start using Oxford publishing’s ‘Oxford Reader Books’. For this module, students are responsible for **two** graded short stories. **One of them** is going to be used in reader quiz. Please make sure to share this important information with all our students and ensure that they have finished reading the books by the quiz day.
